# Arkadelphia Bypass (Hwy. 67 – Hwy. 51) Purpose

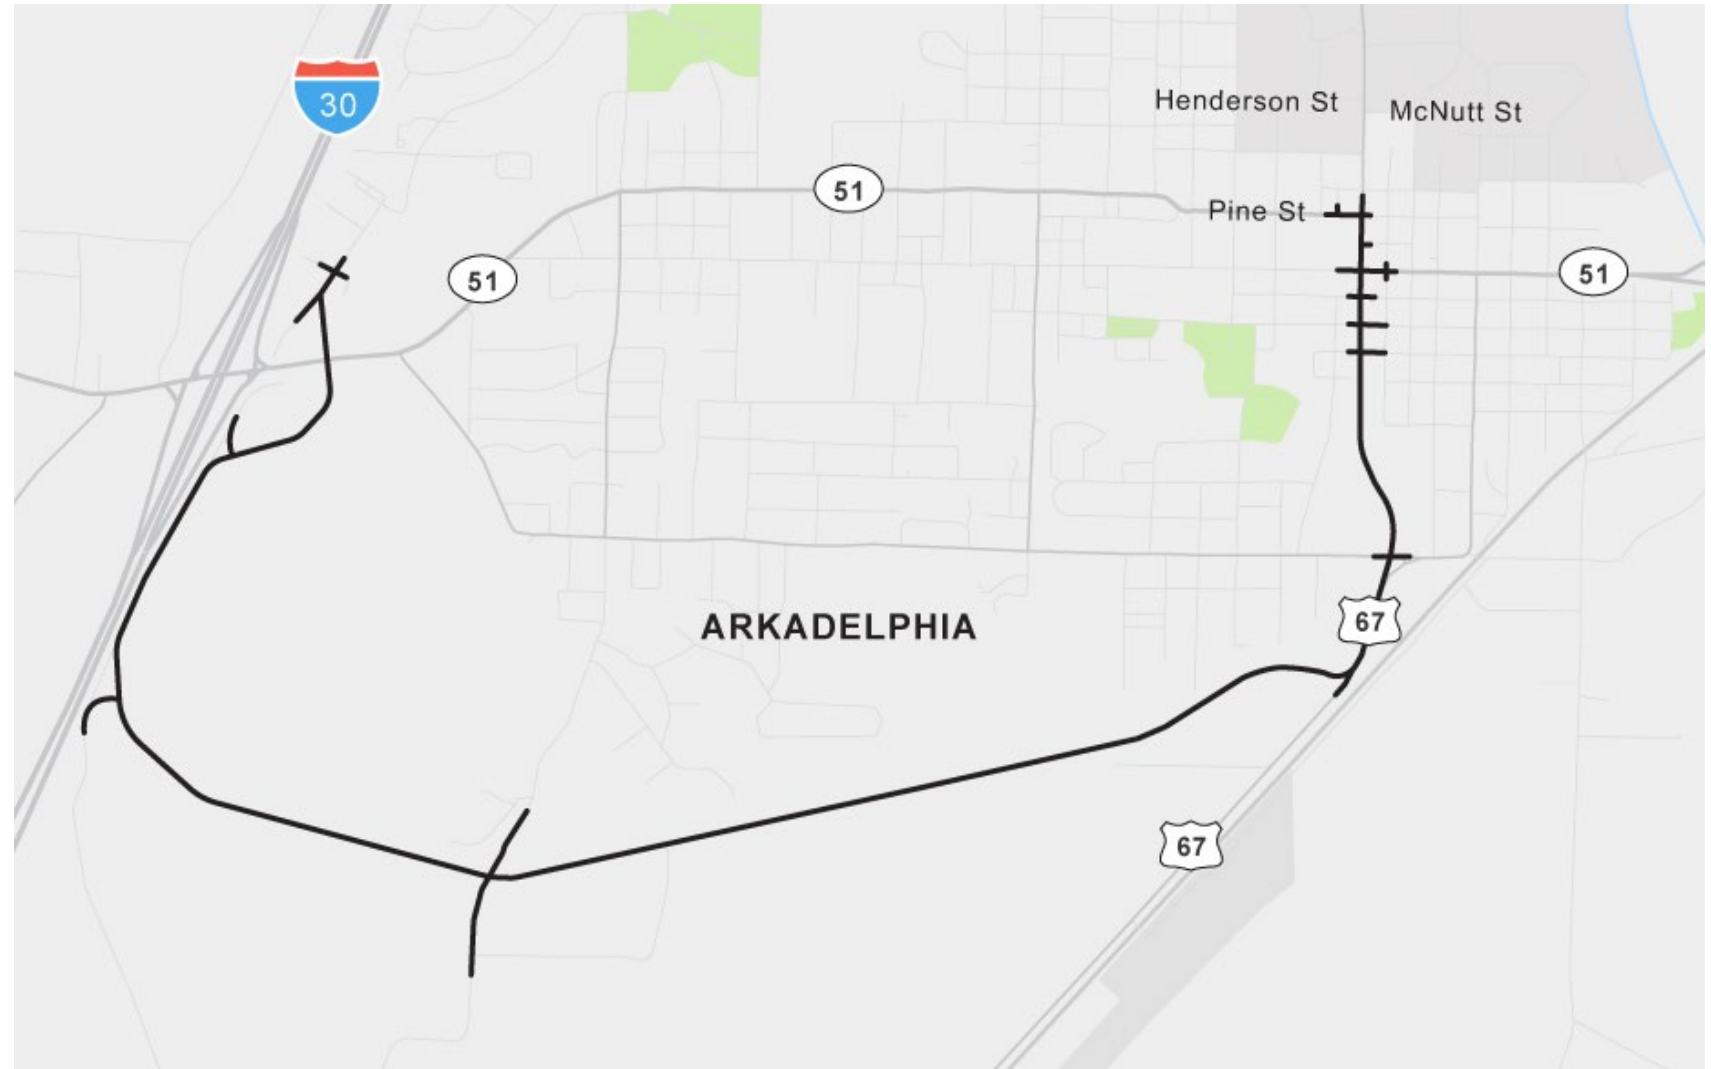

Improve safety,  
mobility, and  
connectivity:

- Alternate route to reduce trucks traveling through business district
- A more direct east-west travel route
- I-30/Hwy. 51 interchange modifications to reduce traffic congestion

# Project Status

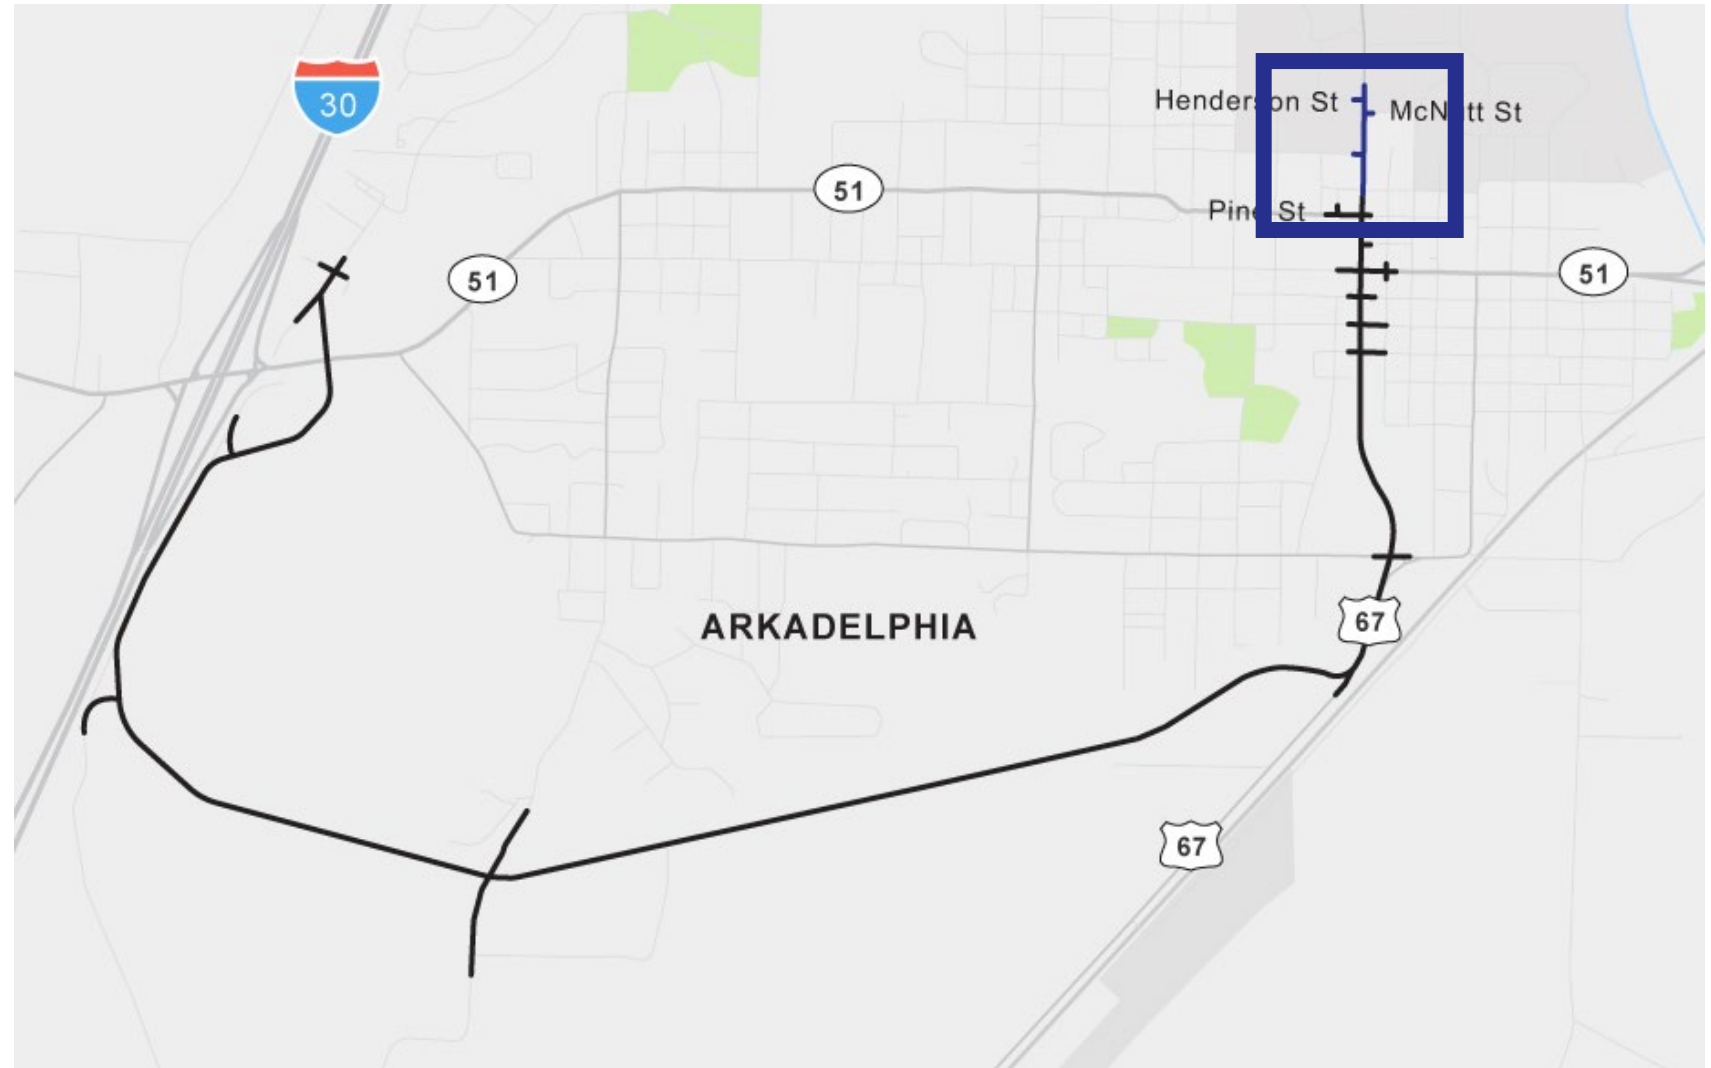

- Final design of the approved alignment is nearing completion.
- Property acquisition is underway.
- Utility relocations and bypass construction are anticipated to begin by the end of 2022.

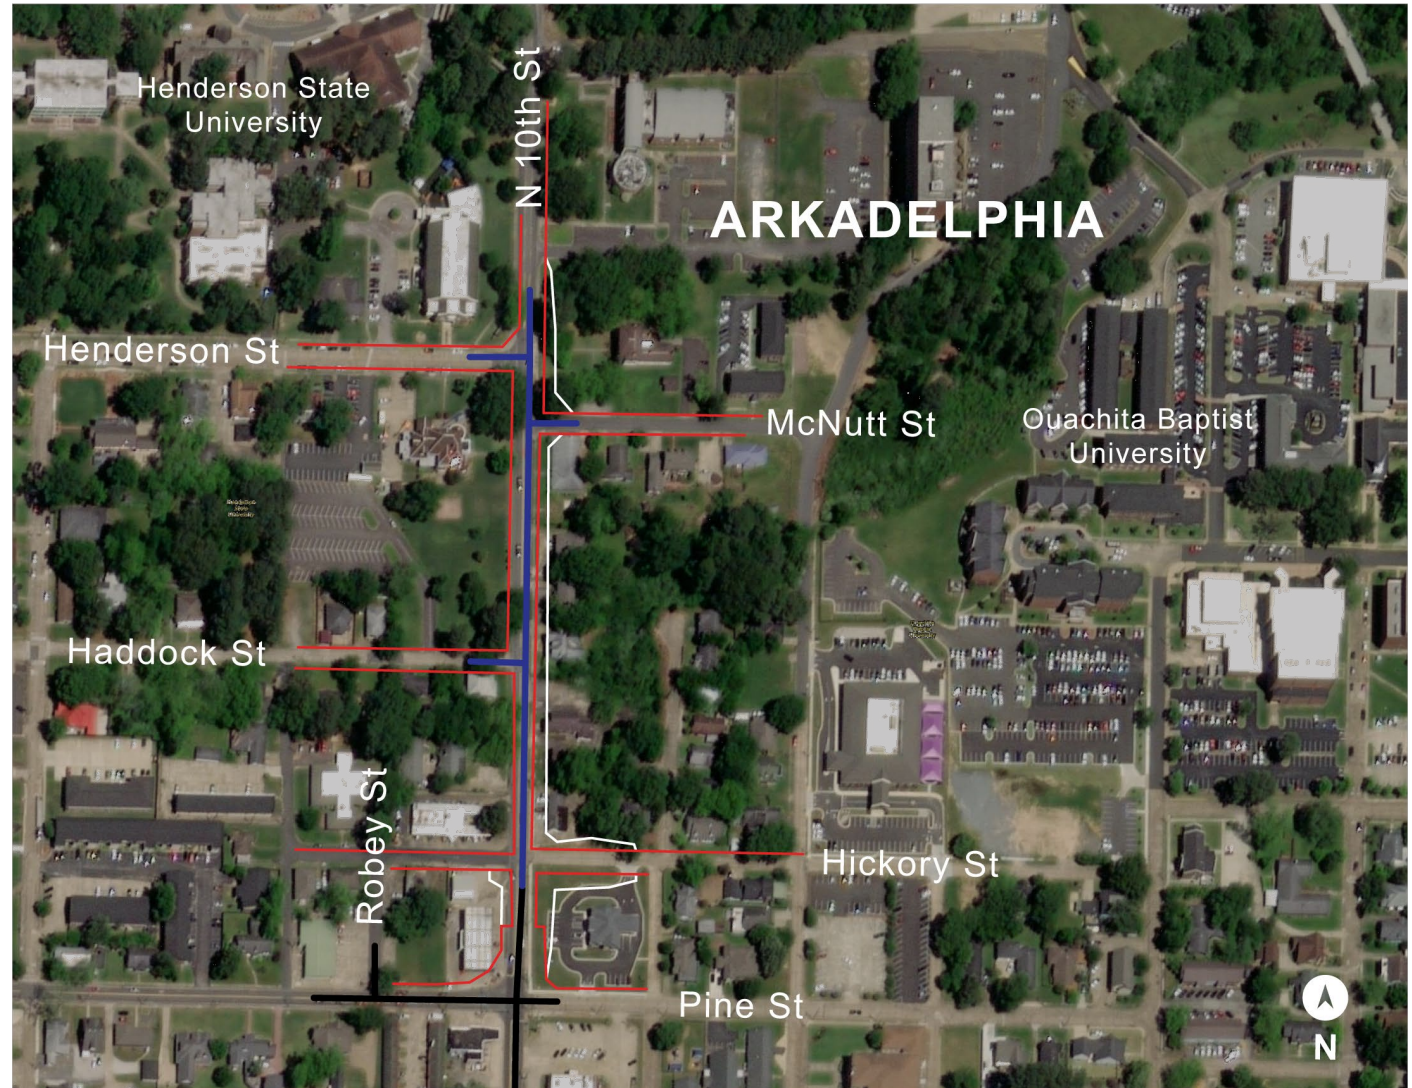

# Project Status

- Clark County has requested that the Arkadelphia Bypass be extended to Henderson Street.

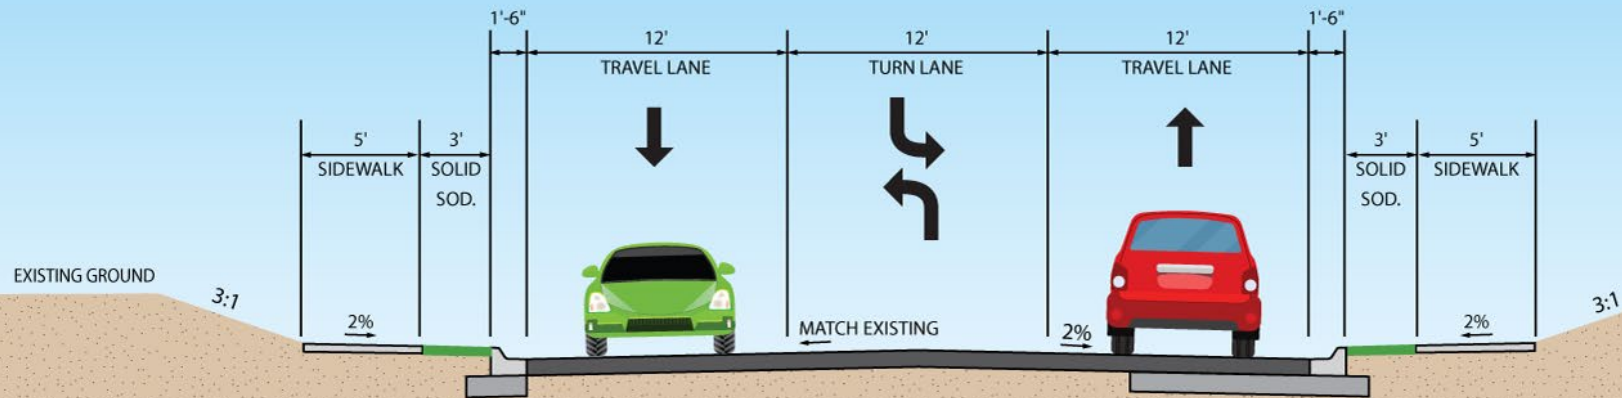

# Purpose of Proposed Bypass Extension

- Widen to three lanes
- Improve both congestion and safety
- Continue the three-lane bypass to just north of Henderson Street
- Eliminate a potential two-lane “pinch point”
- Universities will donate the necessary right of way

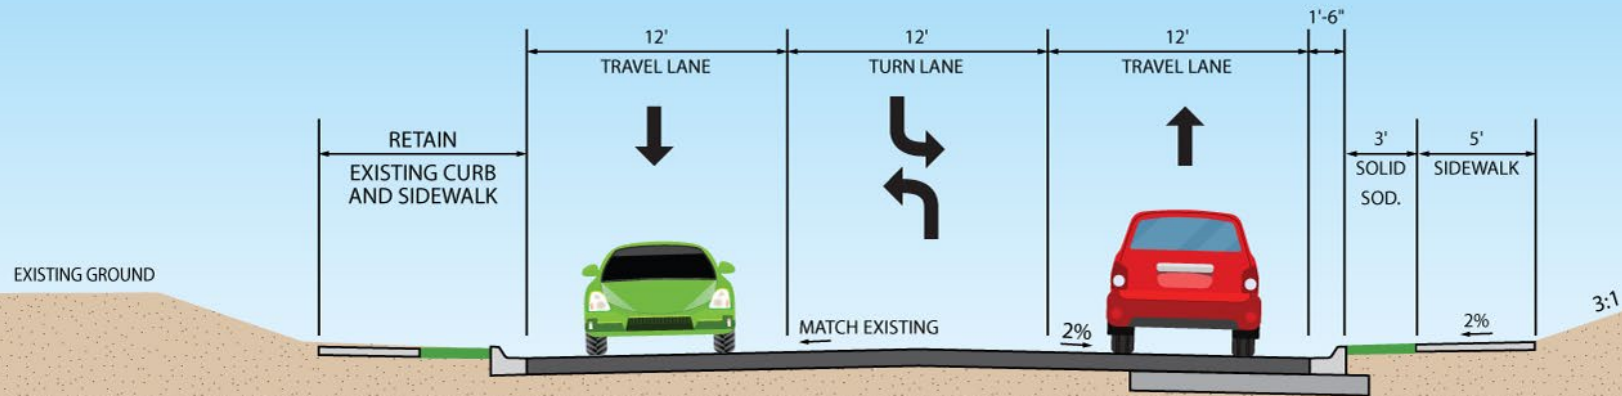

# Typical Sections – Pine Street to Hickory Street

N. 10TH ST. (HWY. 67) 3-LANE TYPICAL SECTION  
PINE STREET TO HICKORY STREET

# Typical Sections – Hickory Street to Henderson Street

N. 10TH ST. (HWY. 67) 3-LANE TYPICAL SECTION  
HICKORY STREET TO HENDERSON STREET

# In-Person Meeting Date

- Tuesday, August 2, 2022
- 4-7 p.m.
- Henderson State University  
(Garrison Center Grand Ballroom)
- 1045 McKnight Drive  
Arkadelphia, Arkansas
